October has set yet another record, the trend continues this year.

"Just wanted to say a huge thank you to all. This has made a huge difference and taken a real psychological weight off. This food ensured my child can eat. THANK YOU"

We are continually looking for food donations to cope with the number of referrals we get each month. The amount of donated food has decreased over the last year, affecting not just us but other food banks as well. Sometimes we have to resort to buying food just to keep going. You can help if you are prepared to donate tins, jars or packets of long shelf life items. There are collection points in a lot of supermarkets and several churches collect food too.

Do you have any furniture, white good etc to donate? Let us know if you do.

There's a Cost.

None of this could happen without funds so we are actively seeking funds through grants and donations.

Would you consider donating something on a regular basis? If you can and are willing, please let our Administrator (Dave Marchant) know and he will tell you how to do it e-mail:

admin@theneedproject.co.uk .

Lots of small monthly donations can become a big amount of funding every month. Annual or one-off donations are good too. Together we can make a difference.

Our objectives

To relieve persons in Central Bedfordshire and the surrounding area that are in poverty or financial hardship in such ways as the Trustees from time to time think fit, in particular, but not exclusively by:

1. Providing food parcels to support individuals and families who are experiencing food deprivation.
2. Providing other items to meet immediate and essential needs, as resources allow.
3. Developing other forms of support to meet immediate need and alleviate financial hardship.

Our values

We are a Christian organisation motivated by Jesus' teaching on poverty and injustice. We operate according to Christian principles of compassion, honesty, integrity, openness, kindness and care of all people, regardless of backgrounds or beliefs (or none). We are passionate about inclusion and being non-judgemental is central to what we do. We believe that everyone has the right to have food on their plate, dignity, skills, a chance to work and hope for the future.

Please pass this report on to anyone who would be interested in the work of the Need Project.
